BUILDING AUTOMATION SYSTEMS

CONTROLS

**DISTECH
CONTROLS™**

DISTECH

Building automation systems, system and equipment control solutions, room control solutions, occupant interfaces and room sensors, touchscreen displays, lighting and blind controls, field devices, access control solutions.

www.distech-controls.com

TRANE®

TRANE

Open solutions, equipment controllers that are field and factory installed, thermostats, sensors, and power and energy meters.

www.trane.com

TRIDIUM

TRIDIUM

Niagra framework, cyber defense, enterprise security, drivers, video integration, cloud suite, and analytics.

www.tridium.com

kodelabs

KODE LABS

Bringing all your portfolio management down to one platform ensuring unparalleled quality and integration.

www.kodelabs.com

SECURITY & LOW VOLTAGE 

ACCESS SOLUTIONS

GENETEC

Building physical security solutions that allow you to see, know, and understand your environment. www.genetec.com

iPRO

Products that offer the highest levels of surveillance capability, regardless of the installation site, weather conditions, or purpose. AI on-site learning camera line that also adds AI capabilities to non-AI cameras. www.corp.ipro.com/en

AVIGILON

Video, cloud, and access control solutions seamlessly integrate across your entire video security system to provide you with the right information at the right time – so you can take decisive action. www.avigilon.com

GALLAGHER SECURITY

Video, cloud, and access control solutions seamlessly integrate across your entire video security system to provide you with the right information at the right time – so you can take decisive action. www.securty.gallagher.com

VIDEO SOLUTIONS

GENETEC

Building physical security solutions that allow you to see, know, and understand your environment. www.genetec.com

AMERICAN DYNAMICS

Delivers advanced video technologies that secure retailers, universities, hospitals, and government facilities. Their global expertise, provides innovative solutions for safe, sustainable, and smart buildings worldwide. www.americandynamics.net

AXIS COMMUNICATIONS

Combining intelligent technology and human imagination, Axis offers solutions based on sight, sound, and analytics to improve security and optimize business performance. www.axis.com

AVIGILON

Video, cloud, and access control solutions seamlessly integrate across your entire video security system to provide you with the right information at the right time – so you can take decisive action. www.avigilon.com

BOSCH

Offers a comprehensive portfolio of video surveillance, intrusion detection, fire detection, voice evacuation, access control, and professional audio systems for seamless security and communication. www.boschsecurity.com

HANWHA TECHWIN

Security cameras, recording solutions, software solutions, that are scaleable. Wisenet Series. www.hanwhasecurity.com

iPRO

Products that offer the highest levels of surveillance capability, regardless of the installation site, weather conditions, or purpose. AI on-site learning camera line that also adds AI capabilities to non-AI cameras. www.corp.ipro.com/en

MILESTONE

Migration software for security cameras, recording solutions, video solutions for easy of understanding. www.milestonesys.com

TURING AI

Delivers flexible, simple, and robust cloud video security solutions powered by AI, protecting lives and assets. www.turing.ai

ZEROEYES

Software that analyzes over 36,000 images per second from security camera video feeds and alerts authorities within seconds if a firearm is detected. www.zeroeyes.com

CONTROL SOLUTIONS

IMPERIUM

Correctional Control – Smart, secure, and seamless jail management with custom SaaS integration. www.eccoinc.com

ACCESS - CLOUD

ALOCITY

Our all-in-one, cloud-managed platform integrates video, access control, and intercom for smarter, safer security—accessible anytime, anywhere. www.alocity.com

BRIVO

A foundational platform for smart spaces, with cloud-based access control solutions. www.brivo.com

GENEA

Cloud-based automated property technology to modernize access control, automatic overtime HVAC management, and streamline submeter billing. www.getgenea.com

OPENPATH

Secure, touchless access. Reliable mobile access control with smart video and intercom capabilities. www.openpath.com

INTRUSION - CLOUD

BOSCH

Offers a comprehensive portfolio of video surveillance, intrusion detection, fire detection, voice evacuation, access control, and professional audio systems for seamless security and communication. www.boschsecurity.com

VIDEO - CLOUD

AVA SECURITY

Safeguard your people and assets with proactive video security, on an open cloud platform. www.avasecurity.com

CISCO MERAKI

Cloud network platform that easily adapts to your vision through robust APIs, insights, and apps. www.meraki.cisco.com

EAGLE EYE NETWORKS

Efficiently search all surveillance video the same way you search the web and immediately find people, vehicles, or objects. www.een.com

COMMUNICATIONS - CLOUD

AXIS / 2N

Shaping the future of access and motion with advanced technologies that protect and enhance lives. As inventors of LTE and IP intercoms, we continue to lead through innovation. www.2n.com

COMMEND

Commend offers scalable intercom solutions, from door systems to integrated platforms. Our modular design seamlessly integrates with CCTV, access control, and more for unified security management. www.commend.com

STRUCTURED CABLING - CLOUD

BELDEN

Digital electricity cable, M12, Pre-loaded coupler panels, hybrid cable. www.belden.com

PANDUIT

Cable cleats solutions, SmartZone Cloud, FlexFusion Cabinet, RapidID Network Mapping system. www.panduit.com

PARKING - CLOUD

FROGPARKING

World-class innovative parking technology solutions designed to streamline and enhance your operations. Gain ultimate control with a comprehensive parking management system tailored to your needs. www.frogparking.com

FIRE & LIFE SAFETY

SYSTEMS

AUTOCALL

Autocall delivers advanced protection that's easy to install and cost-effective to own. www.autocall.com

TEKTONE

Interoperable healthcare products including nurse call, wireless nurse call, wander management, alert integration, fall detection, emergency call, apartment entry, and area of rescue assistance systems. www.tektone.com

FIKE

Fike's comprehensive fire protection systems can detect a fire in its earliest stages and suppress it without causing collateral damage within just seconds of combustion. www.fike.com

FIRST RESPONDER RADIO NETWORKS

WESTELL BDA

Provider of high-performance network infrastructure solutions. Westell is a trusted partner for transforming networks into high-quality, reliable radio communications networks. www.westell.com

SUPPRESSION EQUIPMENT

FIKE

Fike provides some of the most effective fire suppression equipment on the market, including chemical agent fire suppression, clean agent Co2 fire suppression, and ultra-fine water mist. www.fike.com

OTHER PRODUCTS WE SOURCE

AMEREX

The world's largest and most innovative manufacturer of hand portable and wheeled fire extinguishers for commercial and industrial applications. www.amerex-fire.com

ANSUL

ANSUL® is a global premium brand of Tyco Fire Protection Products. ANSUL special hazard fire protection fire extinguishers. www.ansul.com

BADGER

A comprehensive range of industrial fire extinguishers, dry chemical fire suppression systems and Range Guard, the nation's first commercial kitchen wet chemical fire suppression system. www.badgerfire.com
